"Love one another as I have loved you" John 13:34 (Our school Mission)

Dear Parents & Carers,

Flu Vaccine

We have been advised that the health team to deliver the Flu Vaccine for children will be on Tuesday 28th September 2021.

What is different this autumn is that all the children in Reception and up to Year 6 (as well as those aged two to four) will be offered a free flu vaccine.

To help protect children this year the NHS is extending its childhood vaccination programme this year. In total, over five million children will be offered the flu vaccine.

Please see the letter with the details of how to log on online – the online consent is the way that forms will be processed this year.

To complete your child's vaccination e-Consent forms, please click the link <https://www.wchcimms.co.uk/>

Please use our unique school code below.
St Alban's Catholic Primary School
CODE: WC105072

Take care,

Mr J McDonald

John McDonald (Headteacher)
