Admission to secondary school

Dear parents and Carers,

Time flies – I cannot believe how quickly children move through school and we will be really sorry to see this cohort go!! The time is now right to start thinking of where the children will be in September 2022. The deadline is 31st October 2021 – please see below.

Admissions policies can be found on the website and I would encourage you to look at all the schools before deciding. There is time to make an informed and considered choice – visit open days – virtual evenings etc. I believe St mary's are organising one very shortly.

Please see the deadline timetable.

Deadline for Request for Assessment forms to be returned.

September 2021

Preference forms and information booklets on secondary education are available online or on request. The online admission system opens on 1 September for parents of Year 6 children who live in Wirral.
