"St. Alban's Summer Learning Challenges"

Hi everyone,

Learning is fun – I continually find myself learning something new. I usually have two or three books on the go and the summer is a great time to catch up! We are being told the more you know the more you are able to learn as new learning build on old learning.

I would like as many children as possible to take part in two summer learning challenges. Are you up for it? Someone could win the Golden ticket!!!! I hope it is you.

The challenges are not too hard but they will have a BIG IMPACT on your learning.

Challenge 1 Maths Whizz

3x 20 mins a week for 6 weeks which is 60 minutes a week for 6 weeks would mean a whole day of maths! Will you win a Golden ticket????
