Newsletter to Parents

November 14<sup>th</sup> 2019

Dear Parents,

After the mystery of dinosaur eggs appearing in school, we had a wonderful day yesterday with "Jam" the T-Rex who turned out to be quite friendly and the children especially enjoyed him trying to eat me! It was great to see so many parents coming in to meet Jam at the end of the day – if you didn't, check out the photos on our website (news items) or at the office.

There are just a few notes and notices for this week and I have left the Christmas events on the back again to ensure everyone has these in the diary. A few people have asked about Children in Need – we are not collecting tomorrow as I don't like to keep asking parents for money but I am sure many of you have already contributed or may do so tomorrow when it's on the television. It is a normal uniform day in school but if any children have Pudsey ears or badges and so on, they are welcome to wear them.

With best wishes,

Mrs C. L. Frost  
Headteacher

## **UNIFORM**

Just a reminder about maintaining good standards of uniform please – school ties, sensible black school shoes and so on. If your child wears boots to school, please ensure they bring their shoes or alternatively they can put their PE pumps on in class.

Please can parents also ensure that earrings are removed. School policy has always been that earrings are not worn to school in line with the LA Health and Safety Policy.

A number of children wear the plastic posts for school and these are safe for the playground and PE so are no problem. Please can we also keep hair accessories sensible! We've had a few bows and unicorn hairbands that are so big they are something of a distraction – keep those lovely things for the weekends please. Many thanks for your help with this.

# Christmas Events at St. Alban's 2019

## Christmas Nativities

### F2 Nativity

Thursday December 5<sup>th</sup> at 10am for Class 1 & 2 parents

### Key Stage 1 Nativity

Tuesday December 10<sup>th</sup> at 2.15pm for Class 3 & 4 parents

Wednesday December 11<sup>th</sup> at 2.15pm for Class 5 & 6 parents
