Please could parents ensure that payment for breakfast club, school meals and after school club is made in advance on ParentPay.

## **COVID-19: CURRENT GUIDANCE**

The Government has announced that we are moving out of the contain phase and into delay, in response to the ongoing coronavirus outbreak.

As per the current advice, the most important thing individuals can do to protect themselves remains washing their hands more often, for at least 20 seconds, with soap and water. Make sure you cough or sneeze into a tissue, put it in a bin and wash your hands.

We are asking anyone who shows certain symptoms to self-isolate for 7 days, regardless of whether they have travelled to affected areas. This means we want people to stay at home and avoid all but essential contact with others for 7 days from the point of displaying mild symptoms, to slow the spread of infection.

The symptoms are: \* A high temperature (37.8 degrees and above) \*  
A new, continuous cough

You do not need to call NHS 111 to go into self-isolation. If your symptoms worsen during home isolation or are no better after 7 days contact NHS 111 online at 111.nhs.uk. If you have no internet access, you should call NHS 111. For a medical emergency dial 999.

Please ensure that the contact details we have for you are up to date and that we are notified of any change of phone number or email address immediately. Thanks.

We finish for the  
Spring Break on  
Friday 3<sup>rd</sup> April  
at 1.45pm.

The holiday list for  
academic year  
2020 -2021 is
